### 6.2.3 Implementation of e-governance

TO WHOMSOEVER IT MAY CONCERN

Sub: Implementation of e-governance – Technical Team – Arulmigu Palaniandavar College of Arts and Culture, Palani.

Our College has successfully implemented e-governance in many academic and administrative activities. The Technical Team of our college which comprises of three staff has developed various software for the implementation of e-governance. Software for online admission, finance management, office administration, online class entry, and portal for staff and student grievances are developed by our college Technical Team. All the internal automation software for the successful implementation of e-governance is done by our Technical Team. As we are an affiliated institution, the examination related works are carried out through the software provided by the parent university. Student registration and internal mark entry are done through the software developed by the university.
